

CHÂTEAU DE LA CRÉE & PICNIC EXPERIENCE

EXPERIENCE

The **Château De La Créé Experience** begins at the Château with a brief history of the village of Santenay and Château de la Créé, founded in 1431 on the land of Nicolas Rolin, Chancellor to Philippe le Bon, Duke of Burgundy.

Following our fascinating discussion, we head to our vineyard, **Santenay - clos du Château**.

The vineyard is planted with both Pinot Noir and Chardonnay, and spans a total of 1.5 hectare, or 3.7 acres.

With fabulous scenery as our backdrop, the conversation turns to the **Burgundy classification** and the influence of the terroir each with its own particular geology, topography, and aspect.

The topic changes to **the Santenay appellation**, Château de la Créé vineyards and, of course, wine growing.

Finally, we end the tour in our stunning **15th-century vaulted cellar**, where we taste a lovely selection of **five Château de la Créé wines**, led by one of our knowledgeable wine experts.
